School Happenings

**Many Excursions**
Thank you for your patience and prompt co-operation for the many excursions we have had just recently, particularly for Years 4-6. Some excursions were postponed, some came earlier than were scheduled and some were just extra opportunities presented to our school.

One of these is the workshop with Canberra University Band at the Goulburn Conservatorium this coming Thursday.

We have worked closely with the Goulburn Regional Conservatorium over the years. They have provided us with the lovely Miss Abotomey, (Miss A) who teaches our students music on Fridays.

We are also fortunate to have Mrs Jenny McCarthy run a choral group on either a Monday or Tuesday with our students in Years 1-6.

Athletics Carnival
We had a great time at the Athletics Carnival with good weather and plenty of great performances in events by Wingello Students. Listed are the placements of students on the day. These may vary depending on the heats or times run. Formal notification for students who made it to the district will follow shortly. Students from 8 years upwards only participate in the district carnival.

Keeping an eye on our beautiful environment
We had a cute visitor to the school last week. A young wombat was our during the day, eating grass in the playground. Let’s hope he doesn’t find a home under the teacher’s toilets – like the last one! We might need to put up a sign to let it know that there’s room in the nature reserve.

The first bird-watch data will be entered this week with the help of Mr Graham Olde. The students are very keen to be involved in entering Bird Atlas of Australia.
